don and Mrs. David M. Watkins.

The soldiers' bonus heard Saturday released from its service a number of clerks for which it has no further use, as the board is now nearing the completion of its work. Of the 26,200 prospective beneficiaries of the bonus law, the board has naid 21,800, leaving a balance of 4,400. Becretary John F. Murphy says now the work will slow up, as most of the applications pending require individual investigation before approval. Most of the elerical work has been completed. All applications for the bonus, under the law, must be filed with the board on or before Dec. 1. William Russell Dower of Westerly, who lost his right arm while in active service on the battlefield of France, is one of the clerks. He will probably be retained for the present, as he fills the position of paymaster.
